SUSTAINABILITY

BISHOP'S GOAL IS TO MAKE IT EASY AND COST-EFFECTIVE FOR OUR CUSTOMERS TO OUTFIT THEIR ENVIRONMENTS WITH MORE SUSTAINABLE FIXTURES.

- VALUE ENGINEERING
- ENVIRONMENTALLY CONSCIOUS MATERIALS
- LOW-VOC FINISHES AND ADHESIVES
- FSC CERTIFIED + LOCALLY HARVESTED WOOD

Target

Bishop Fixture is a 4 Time Fixture Vendor of The Year and 30+ Vendor Partner of Target Corp. Providing Fixtures, Displays, Signage and Turn-Key Design-Build Services.

Starbucks

Bishop Fixture is a certified vendor of Starbucks store fixtures and FF&E. We have provided turn-key design – build services for over 1,800 locations nationwide since the year 2000.

Capital One Cafés

"Capital One is reimagining banking, and Cafés are a big part of the process. The concept behind them is simple: Design spaces with people and their needs in mind—even if they aren't Capital One customers."

Chicago

UGG

Since 1978, UGG has prided itself on using the best materials and employing an uncompromising attitude toward quality and craftsmanship. Their new store concept is built on the same commitment, utilizing high quality and uniquely branded materials to create an inviting, stimulating and exceptional shopping experience. For that reason, UGG has chosen Bishop for its store environments since 2014.

Athleta

When Gap, Inc. launched its women's athletic wear brand, Athleta, they wanted the bright, warm and natural energy that wood brings. They also wanted a reliable, eco-conscious partner. Bishop Fixture has been providing Athleta Stores with national fixture rollouts and flagship stores since 2007.

Hudson Yards

Banana Republic

Banana Republic & Bishop build beautiful stores nationwide, including flagship locations at **One World Trade Center** and **Hudson Yards**. Their store design and customer experience follows the brands signature suit, delivering timeless classic with modern vibrations.
